

Review of four Draft audio CDs

as received from Roadrunner Duplication Nov 5, 2014

Blank CD: This presents Mike C's best rendition of the photo and text as it was to be reproduced on each CD.

Review: I like this rendering of the photo the best. It has no noticeable distortion. Please go with this Photo on all CDs in this set. However, the text will be changed: no longer 1972 – 1982, but as shown in summary below.

Disc 1: Track 1: To Mike; To Penny (note: should be broken into **two** tracks)

Track 2: length 0:50 (sounds like Washington D.C. radio station! Garbage – **delete this short track**)

Track 3: Patti starts; 1:20 to 5:50

Track 4: ADB Last wishes (Tuesday, 29 July 1980) – this is 30:40 minute track, and should not be here!

This should be at end of all recordings. (Note: this 30:40 minute track repeats now on Disc 3)

Disc 2: This is currently all one long track. It should be broken into separate tracks

Starts with Dad and Patti to Woods (Penny, Fred, little Andy and Nick) on Easter Morning, 22 Apr 1973.

At about 7:12, Mike & Babs and Debbie call from Tipton's home to Dad (ADB)

At about 22:10, it begins a separate phone call: Jack Tipton to ADB, which goes until about **41:40**

At about **41:44**, this is Pete proposing his Trip to Houston, hence up to Dallas

At about 49:13, Penny

At about 51:07, Mike

At about 57:27, tape runs out and audio stops suddenly

Request: Break this into separate tracks, some of which can go onto Disc 1; the new Disc 2 will be remaining tracks, plus the 30:40 Last Wishes/Estate track from 29 July 1980.

Disc 3: Review: This contains one track only: 30:40 minute of the Last Wishes/Estate of ADB (my father). This is fine, but see above, that this was also Track 4 on Disc 1.

Summary: I would like the long track on Disc 2 to be separated out into **6** tracks, one for each phone call.

I suggest the final version can be placed **on two CDs** if these tracks are broken out. Current Track 2 on Disc 1 should be deleted. Disc 1 should have current Track 1, Track 3, and several tracks from current Disc 2, as many as will fit on the new Disc 1. Then Disc 2 starts up, and ends with the 30:40 minute Last Wishes/Estate of ADB.
